## MR. S. M. MUNEER, PATRON-IN-CHIEF

I feel really honored to be a Patron-In-Chief of the Friends of Burns Centre, because they are not only treating people but also giving them new hope, life and reason to live by counseling and rehabilitation. I would also like to appreciate the entire team of the Friends of Burns Centre for performing their duties to severely burnt victims from all over Pakistan. As serving humanity is my aim, I request you all to do visit the Burns Centre whenever you feel comfortable. Your visit will surely let you empathize with the burn victims and let you know how difficult their life is. I am thankful to the philanthropists and well-wishers who have always supported the Friends of Burns Centre to achieve its mission. I take this opportunity to invite all philanthropists living in Pakistan or abroad to join hands with us in this noble cause.

Executive Committee Member /  
Founding President

## SALUTE TO MEDICAL PARAMEDICAL STAFF

The coronavirus outbreak has brought the world to a standstill. With businesses around the world shutting shop, the economy taking a severe hit, and most countries being in lockdown, all of us are fighting COVID-19 the best way we can. However, in the pandemic, the medical communities including paramedical staff are the warriors who are fighting that disease on the frontlines and are putting their lives at risk to keep us safe. We are eternally grateful for the work you are doing. Thank you for being a ray of hope for so many families that are going through the difficulties of COVID-19.

## OPD STATISTICS FROM JANUARY 2020 TO JUNE 2020

From January 2020 to June 2020, a large number of people visited Burns Centre's OPD and got treatment, dressing and consultancy free of cost. In total, 6,545 patients visited the Burns Centre.

## MESSAGE

**FAWAD ATEEQ BARRY**  
CHIEF EXECUTIVE OFFICER  
HASEEN HABIB TRADING (PVT) LTD.

*"New member of the Executive Committee"*

Prophet Muhammad (PBUH) sought refuge from the punishment of fire.

The reality of today is that more than 15,000 people die annually and approximately 150,000 get severe injuries in Pakistan due to fires and the incidences caused by

them. Recently, I got the opportunity to visit Burns Centre which is managed by highly reputed people. Fortunately I got the chance to do more and become a part of the executive committee over there. I have accepted this offer as the Burns' Committee is infamous for doing high quality work and investing themselves completely into doing good for the people. My request to everyone is to donate generously to the Burns Centre as this is the only charitable institution amongst the 25 million people of Karachi, providing free, top-class treatment to patients and victims affected by serious burns and fire hazards, and so should be expanded to handle any and all kinds of emergencies —city wide. Moreover, their awareness campaign should be circulated more so within our people to practice prevention from incidences entailing burns and scalding.

## CONDOLENCE

We deeply grieve the sad demise of the Chairman & Chief Executive Officer - Alkaram Towel Industries (Pvt.) Ltd., Mr. Mehtab Uddin Chawla. He was a great person with remarkable qualities who have always supported us with our cause and will forever be remembered among acquaintances and friends. We enhance our heartfelt condolence and prayerful support to his bereaved family and friends.
